ARCHITECTURAL DESIGN DILEMMAS

Do you have a design dilemma at your home or business? If so, join us and get valuable design tips. Bring your ideas, sketches and photos to class. A helpful local architect will share practical advice that you can use in your successful remodeling, addition or new construction project.

Ira Henowitz Glastonbury High, Room B104
1 Meeting, Mon, Apr. 8 7:00 - 9:00 p.m.
Limit 20 students Registration fee: \$25.00

RE-EMBRACE YOUR SPACE

In a quandary over deciding where to place accessories or how to arrange furniture? Whether you are looking to transform rooms utilizing accessories and furniture you already own or staging your home to highlight its assets and downplay any of its weaknesses to appeal to prospective buyers, learn easy solutions for pulling rooms together. This interactive course will help you create rooms that are filled with personality. Participants are asked to bring photos of areas of their home that could use some brightening up or a fresh look!

Gina Cocchiola Glastonbury High, Room B106
2 Meetings, Tues, Mar. 12 & 19 7:00 - 9:00 p.m.
Limit 10 students Registration fee: \$35.00

REPLACEMENT WINDOW WORKSHOP: FIND OUT HOW IT'S DONE & SAVE

Want to save on your heat and A/C bills and take advantage of incentive programs available but don't know where to start? Low-E, argon, triple pane, wood, vinyl, or fiberglass-Confused? Don't be! Come learn from an experienced master carpenter. This workshop is a must for anyone thinking about having windows replaced or replacing windows themselves.

Paul K. O'Doherty Glastonbury High, Room C107
1 Meeting, Tues, Apr. 23 7:00 - 9:00 p.m.
Limit 30 students Registration fee: \$25.00

DECORATING MADE SIMPLE I

This course covers the concepts of color, flow, scale and balance, furniture arrangement, accessorizing, lighting and bringing the outside in. You will learn about eclecticism and how to blend a variety of styles together successfully. Guaranteed to help with basic design concepts, remove fear of decorating and create ways to transfer what is learned in class to your home right away. One-on-one design assistance given as time allows. A Benjamin Moore color deck provided for \$10

Laurene McGarry-Bissell Glastonbury High, Room B106
3 Meetings, Wed, Mar. 27, Apr. 3, 10 6:30 - 8:30 p.m.
Limit 20 students Registration fee: \$45.00

DECORATING MADE SIMPLE II

This course goes beyond the basics of topics covered in Part I and delves into how to "feel" what a room needs, examine decorating with a critical eye, the lines of a room and how to sift through what doesn't work to get at what does. You will also learn about custom built furniture versus ready-made as well as on-line resources the instructor loves!

Laurene McGarry-Bissell Glastonbury High, Room B106
2 Meetings, Wed, Apr. 24 & May 1 6:30 - 8:30 p.m.
Limit 20 students Registration fee: \$35.00

PILOTING & SMALL BOAT HANDLING

This course promotes safe boating and covers government regulations, safety equipment, coastal charts, compass use and piloting. Students receive certification to apply for state boating license upon completion of class. Please arrive at 6:30 for first class. *Materials fee \$75 per family payable to instructor.*

Manchester Power Squadron Glastonbury High, Room D102A

Limit 20 Registration fee: \$85 person/ \$125 family

DESIGN & BUILD A RAIN GARDEN

Enjoy the numerous benefits of building a rain garden, from enhancing the beauty of your property, attracting birds and butterflies, reducing storm water runoff to recharging groundwater. Topics include green infrastructure overview, benefits and design examples of rain gardens, construction materials, choosing appropriate native plants, health and wildlife benefits. Handouts of construction details, native plant list and other information will be shared by a master gardener.

Debra De Vries-Dalton Glastonbury High, Room B104
1 Meeting, Tues, Apr. 23 7:00 - 9:00 p.m.
Limit 20 students Registration fee: \$25.00

NATIVE LANDSCAPE DESIGN FOR BEAUTY AND SUSTAINABILITY

Gain inspiration in learning about the beauty and benefits of landscaping with native plants. Increase the diversity of birds, butterflies and other beneficial wildlife while creating an aesthetically pleasing, low-maintenance landscape, designed to reduce the amount of time, water, herbicides, energy and money spent to maintain your property. Native trees, shrubs, perennials, grasses and ferns will be presented in order to help you select the proper plant for the proper place regarding aesthetic value, landscape function and cultural requirements.

Debra De Vries-Dalton Glastonbury High, Room B104
1 Meeting, Mon, Mar. 18 7:00 - 9:00 p.m.
Limit 20 students Registration fee: \$25.00

PREPARE YOUR GARDEN FOR SPRING

Spring is upon us! It's time to help your garden wake up from its winter nap! We'll cover the basics of soil preparation, weed control and plant maintenance. Learn about organic soil amendments, soil testing, fertilizing, tillage, mulching and more!

Randall Agrella, Comstock, Ferre & Co. Glast High, Rm B106
1 Meeting, Wed, Mar. 13 7:00 - 8:30 p.m.
Limit 20 students Registration fee: \$20.00

HORSEMANSHIP

After riding lessons, the next step is how to care for the horse. This class will help to answer all your questions on whether owning or leasing a horse is the best option for you. Come join other horse enthusiasts while we talk about our favorite subject - horses!

Petra W. Preli Glastonbury High, Room B106
1 Meeting, Wed, Mar. 20 6:30 - 9:00 p.m.
Limit 20 students Registration fee: \$25.00
